The CRA's mission is to encourage economic development through the use of tax increment financing by funding development, special projects and enhanced services that address areas of community concern. The Downtown District was established in 1979 to promote Hollywood's central business district including Historic Hollywood Boulevard, Young Circle and nearby residential neighborhoods. The Downtown District is approximately 580 acres and extends from 22nd Avenue on the west to generally 17th Avenue on the east, Johnson Street on the north and Washington Street on the south.
