New Wine Boutique Attracts Connoisseurs, Romantics

February 1, 2008

HOLLYWOOD, FL – Longtime Downtown Hollywood restaurateur Fulvio Sardelli and his family have added another dimension to their popular business enterprise with the recent opening of Vino, a unique wine boutique.

Selecting that perfect wine for any occasion is a special occasion in and of itself at Vino, which opened in January at 1912 Harrison Street, just steps away from popular Italian eatery Fulvio's 1900.

Wine connoisseurs in search of a hard-to-find vintage appreciate the vast selection in Vino's impressive wine cellar, which features hundreds of fine wines at competitive retail prices. And if Vino doesn't happen to have a particular wine on hand, it can be special-ordered upon request.

Vino offers patrons a distinctive self-service wine-tasting experience. Upon arrival, customers interested in sampling any of a variety of 64 wines may purchase a pre-paid Vino card in any denomination for use in the state-of-the-art Enomatic dispenser.

True romantics appreciate the warm and cozy atmosphere at Vino, which provides a creative alternative to the usual plans for Valentine's Day, or any other night out on the town.

In traditional Fulvio's style, Vino offers authentic Italian antipasto, featuring a quality selection of salami, cheese and fresh-baked bread, as well as gourmet cappuccino and espresso. Hand-picked gourmet ingredients such as vine-ripe tomatoes, vinegar peppers and other Italian specialties also are available for purchase.

Vino is open Mon – Thurs 11 a.m. to 11 p.m., Fridays from 11 a.m. to 2 a.m., Saturday Noon to 2 a.m. and Sunday noon to 2 p.m. at 1912 Harrison Street, with complimentary onsite parking. For more information, call 954-929-8686.

Vino and Fulvio's 1900, are part of an eclectic Downtown family of businesses that include a variety of restaurants, pubs and clubs, unique boutiques and specialty shops, and art galleries and studios. Downtown Hollywood also is home to a historic district, the stunning ArtsPark at Young Circle and other cultural facilities.

The Hollywood Community Redevelopment Agency (CRA) was created under the authority of Florida's Community Redevelopment Act of 1969. The CRA's mission is to encourage economic development through the use of tax increment financing by funding development, special projects and enhanced services that address areas of community concern. The Downtown District was established in 1979 to promote Hollywood's central business district including Historic Hollywood Boulevard, Young Circle and nearby residential neighborhoods. The Downtown District is approximately 580 acres and extends from 22nd Avenue on the west to generally 17th Avenue on the east, Johnson Street on the north and Washington Street on the south.
